

Just imagine the impossible things that we could do in this world if we could all cooperate a little bit more together...

The World Peace Alliance proposal topics for discussion and reinforcement for a world social inclusion coordination

- Corporate recruitment processes with higher allocated percentage for new, inexperienced and/or disadvantaged people that will take longer to train
- SMB and large corporations for make room for small suppliers – supplier diversity
- SMB and large corporations to have programs to the masses so that ordinary people can provide micro services and earn extra income
- New business ideas stimulation, more entrepreneurship and mentorship programs
- Incentives for International trade deals
- More energy and focus in GOV Job creation programs, jobs networks and corporate partnerships
- Equality and diversity base programs
- Social and environmental participation universal income as a points, income or credit system
- Increased salaries for people with disadvantages.
- Support and monitored donations to local or global charities/institutions that take care of local people at all levels
- Sponsored access to internet, energy, PCs and mobiles (preferably refurbished due to low cost and reduced CO2) for digital and financial inclusion
- Access to sponsored top available education as people Go - gaining skills - more employability
- Creation of an International standards regulatory body for carbon credits, potential new social inclusion credits and ESGs

The logo for World Peace, featuring the words "World" and "Peace" in a blue sans-serif font, with a blue circle containing a white dot in the center, positioned between the two words.

World  Peace
